

## Affinity Aluminium Massage Salon Table AFALU2

Light – Versatile – Strong

Upholstery Colours

The all new Aluminium is an exceptionally strong and lightweight portable table. Offering immense flexibility with its 7 second set-up time, one-touch height control and 10 position 75° lifting head section. A slimline but strong table, it has a 4 leg cable suspension system, making it ideal for sports massage, taking large clients without fuss.

The brand new addition of Reiki End Panels permits total access at each end of the table for seated and standing treatments.

The addition of the Power Therapist upgrade pack transforms the Aluminium table into a fantastic and lightweight all-rounder, ideal for all mobile treatments.
